### About The Sunrise:

Acoustic and electric original band The Sunrise breaks the mold of cookie-cutter Christian music with engaging, inspirational, and often convicting songs - meant for true music fans - while emphasizing the message of Jesus Christ.

The recent album release by The Sunrise, titled "We Have Not Heard," features guitar legend Phil Keaggy and drummer Joe Vitale (Crosby Stills Nash Young, Joe Walsh).

CCM Magazine gives the album, "We Have Not Heard," four stars and says that it, "exudes musical and spiritual authenticity that shouldn't be ignored." Uplifting Entertainment (UPTV.com) notes, "The Sunrise is certainly in a class of its own," and calls the album, "a title we are truly excited about."
